Dear Parent / Guardian,

Llangan is proud to announce that we have adopted a new app for schools called Schoop. Schoop will improve the way we communicate with you and our school community. With your valuable involvement, your children's education and the whole school will benefit.

We will be holding 2 launch sessions in school on Thursday 15th February 2018 as a way of introducing the app to you and giving you chance to download the app and logging in for the first time. The sessions will be at 3pm and 5pm and will run for around 30 minutes.

Alternatively, you can follow the instructions below and they will give you the method of downloading and setting up the app on your mobile device.

Download the app by browsing the correct link below on your phone.

www.schoop.co.uk/android

www.schoop.co.uk/apple

Schoop ID: 7056

If you don't have an Apple or Android smartphone or tablet, please subscribe via email.

Scan the QR code to find out more information, download the app and see how Schoop can be used by schools effectively.

We hope that you will find this app useful and we will endeavour to keep you informed with important information about your child and the school. We promise that we will not bombard you with messages but will use it to let you know what we will be working on in class. By using Schoop, along side ParentPay, we will keep you up-to-date on what is happening in your child's class.

If you have any questions, please contact me in school. If you have any technical issues, you can contact Schoop direct. Go to: www.schoop.co.uk and click on Support, or send an email to support@schoop.co.uk

Regards,

Mr M. Sinnett
